left Hustonville fair ground pasture  
about two weeks ago. Will give re-  
ward for recovery or information lead-  
ing thereto. Josiah Bishop, Huston-

LANCASTER COURT.—A big crowd at-  
tended Lancaster court yesterday, but  
business generally was slow. Cattle  
were dull but good horses and mule  
colts were in demand. Several mule  
colts changed hands at \$50 to \$85. W.  
S. Embury sold a three-year-old mule to  
Ben Bright for \$150.

## Family Skeleton.

Many a person's family skeleton  
is a state of weak digestive organs  
inherited from careless ancestors.  
The skeleton can be laid to rest by Dr.  
Caldwell's (Laxative) Syrup Pepsin.  
Better do so at once, otherwise it will  
dog you daily, and keep you in con-  
stant misery, and in danger from worse  
complications. Syrup Pepsin is a  
specific for indigestion, constipation,  
headache and biliousness. Try it.  
Sold by G. L. Penny, Stanford, and  
C. W. Adams, Hustonville, at 50c and  
\$1.00 Money back if it fails.

The citron is a native of Greece.  
The pine is a native of America.

Rye came originally from Siberia.  
Oats originated in Northern Africa.  
Parsley was first known in Sardinia.

## How to Cure Corns and Bunions.

First soak the corn or bunion in  
warm water to soften it; then pare it  
down as closely as possible without  
drawing blood and apply Chamber-  
lain's Pain Balm twice daily, rubbing  
vigorously for five minutes at each  
application. A corn plaster should  
be worn a few days to protect it from  
the shoe. As a general liniment for  
sprains, bruises, lameness and rheu-  
matism, Pain Balm is unequalled.  
For sale by all druggists.

"I am not much of a mathematician,"  
said the cigarette, "but I can add to a  
man's nervous troubles, subtract from  
his physical energy, multiply his aches  
and pains, divide his mental powers,  
take interest from his work and dis-  
count his chances for success."

Sick headache is caused by a disor-

Robert Harris, while wrestling, got  
his ankle sprained very bad, but is get-  
ting along all right with it now. Miss  
Maggie Livingston is improving, much  
to the delight of her host of friends.

## A Judicious Inquiry.

A well known traveling man who vis-  
its the drug trade says he has often  
heard druggists inquire of customers  
who asked for a cough medicine,  
whether it was wanted for a child or an  
adult, and if for a child they almost  
invariably recommended Chamber-  
lain's Cough Remedy. The reason for  
this is that they know there is no dan-  
ger from it and that it always cures.  
There is not the least danger in giving  
it, and for coughs, colds and croup it  
is unsurpassed. For sale by all drug-  
gists.

A Negro Baptist convention in Texas  
has eulogized John D. Rockefeller as an  
"inspired giver." This may or may  
not be so (it sounds like Booker T. fish-  
ing for another dinner) but nobody  
doubts but that John is certainly an  
"inspired getter."—Middlesboro News.

An ordinance to regulate the construc-  
tion, alteration, repairing, and removal of  
buildings and the occupancy and obstruc-  
tion of streets and alleys in the perform-  
ance of same.

The City Council of the City of Stanford

erected or materially altered or repaired
